

KELOWNA SPRINGS LOCAL RULES

1. RCGA rules will govern all play except as modified below.
2. OBSTRUCTIONS: All railway ties, staked trees, and cultivated flowerbeds are considered immovable obstructions. Proceed under Rule 24-2 (Immovable Obstruction). Free relief *must* be taken from flowerbeds and staked trees.
3. OUT OF BOUNDS: Defined by boundary fences and white stakes. A ball played from the teeing ground to the right side of the white stakes on holes #15 and #17 is out of bounds. The white stakes are immovable obstructions during the play of holes #11 and #14.
4. WATER HAZARDS: All water hazards are considered *lateral* water hazards. Margin of the hazard begins at outer edge of railroad ties surrounding the hazard. Ties are considered to be part of the hazard.
5. COMPOST AREA: The compost area between holes #15 and #17 is considered a lateral hazard. Red stakes surrounding the area define the margin of the hazard.
