

RULES OF PLAY

R.C.G.A. – Rules govern play, and where applicable, the following local rules and definitions:

- **OBSTRUCTIONS:** All roadways, cart paths, irrigation equipment, water fountains, driving range netting, posts and support cables, flower beds (not hedges) and all staked trees. Ball may be dropped within one club length of the nearest point of relief, not closer to the hole. No penalty.
- **DRIVING RANGE:** Any golf ball finishing within the marked area of the range is “out of play”, and the player must play another ball from the designated drop areas (on either the 2nd or 10th hole) no penalty.
- **ROCK WALLS:** All rock walls forming tees are an integral part of the course and are thus not obstructions.
- **EMBEDDED BALL RULE:** In effect through the green.
- **OUT OF BOUNDS:** Defined by the nearest inside point of white stakes or fence posts at ground level.
- **GROUND UNDER REPAIR:** Areas through the green defined by white lines. If player decides to take relief, they must take full relief.
- **WATER HAZARDS:** Defined by yellow stakes or lines. The stakes and lines are considered in the hazard.
- **LATERAL WATER HAZARDS:** Defined by red stakes or lines. The stakes and lines are considered in the hazard.
- **ETIQUETTE:** As prescribed in the rules of golf, shall apply.
