

1 OSPREY: PAR 4, 418 YARDS
A terrific starting hole with lots of room off the tee. The large sloping green will test your putting stroke early.

2 OSPREY: PAR 4, 401 YARDS
Plenty of room for your tee shot, however beware of the fairway bunker running down the right side of the fairway. Second shot to the elevated green plays a little longer than you think.

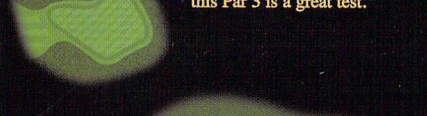

3 OSPREY: PAR 4, 408 YARDS
Left center is where you want to aim your tee shot on this challenging Par 4. Avoid the severely sloped right side. Club selection is critical to this shallow green guarded by a deep ravine.

4 OSPREY: PAR 3, 195 YARDS
The elevated tee is the only break you will get on this hole. This green is extremely sloped from left to right, favor the right side.

5 OSPREY: PAR 4, 402 YARDS
The tee shot is the easy part here. The second shot requires at least one extra club to this 3 tiered green.

6 OSPREY: PAR 3, 247 YARDS
At 247 yards and slightly downhill, this Par 3 is a great test.

7 OSPREY: PAR 4, 412 YARDS
A well positioned tee shot just left of the tall lone pine is a must. The second shot requires an extra club to this 3 tiered green.

8 OSPREY: PAR 5, 578 YARDS
This hole plays dramatically downhill. After a straight away tee shot, the second shot on this Par 5 should be carefully calculated to avoid the water on the left and the tall pine on the right.

9 OSPREY: PAR 4, 451 YARDS
Keep this downhill tee shot aimed left of the right hand side fairway bunker. The second shot requires at least one less club.
