

Power Golf Cars

All golf cars are to remain on fairways and cart paths around greens and tees.

Please keep golf cars 30 feet from greens, out of naturalized areas between fairways and off mounds and out of bunkers.

Golf Learning Centre

The Golf Learning Centre is designed for self improvement and professional teaching. A 300 yard practice fairway, target greens, putting and chipping greens, fairway trap, green side trap and chipping practice areas help you develop your complete game. Ask at the pro shop for lesson information.
