

### RULES

Rules of the RCGA govern all play, except as modified by local rules.

1. A ball striking any overhead hydro or telephone wire must be replayed as nearly as possible from its original lie. No penalty.
2. Young trees requiring protection are tagged with yellow ribbon. If a tagged tree interferes with one's stance or swing, the ball must be lifted and dropped within one club length of the nearest point of relief, no nearer the hole. No penalty.
3. Safety screen on 9, 10 and 17, the shelter, relief facilities, railway tie cribbing at tees 18 and #14, and irrigation control units are immovable obstructions. If such obstructions interfere with your stance or swing, you are permitted to lift and drop your ball within one club length of the nearest point free of interference, as defined, without crossing over, through or under the obstruction. No penalty.
4. A ball entering the parking lot on #17 and on #18 is deemed out of bounds.
5. "Summer Rules" (play as it lies) are in effect unless otherwise posted.
