

RCGA Rules Govern All Play

Natural areas along both sides of the creek are deemed water hazards. No play or search is permitted in this environmentally protected area.

Please replace divots, repair ball marks, and rake sand traps. Carts must remain on cart paths around all greens and tees.

Please follow directions on all cart signs.

Sprinkler heads measure to the centre of green.

Dress code in effect. Soft spikes only

Warning - If you see lightning you are advised to evacuate the course. Play at your own risk.

Pace of Play

It is the responsibility of everyone to keep pace with the group ahead. If your group falls more than one complete hole behind the group ahead, you will be asked to pick up your ball and move forward into that position.

The marshal has the authority to keep play moving at the proper pace for all players enjoyment.
