Golf Cart Operation

- Keep all carts (both power and pull) 40 feet from greens, tee boxes and away from roped areas.
- Keep all tires on the paths whenever possible, particularly around greens and tees.
- Keep carts on the golf course—do not travel into the out of bounds farmlands areas.
- Never travel in the hills on either side of the fairway.
- Maintain a safe distance between any other carts to prevent damage or injury.
- Observe the 90° rule.

Yellow 69.2/117

R.C.G.A. Rules Govern all Play Except as Modified

- Cart paths** – Relief may be obtained from any artificially prepared surface – No Penalty.
- Out of bounds** – Defined by white stakes.
- Staked trees** – Drop within one club length from nearest relief – No Penalty.
- Water hazards** – Red stakes denote lateral hazards. Yellow stakes denote water hazard.
- Flower beds** – A ball coming to rest in a flower bed may be removed and dropped at nearest point of relief no closer to the hole – No Penalty.
- Rocked drainage** – Free drop – No Penalty.

Willows Speed of Play Tips

Keep up to the group in front of you, NOT comfortably ahead of the group behind you.

- Play ready golf—have each member of your group proceed to their ball as quickly as possible so everyone is ready to play when it's their turn.

- Play continuous putting during busy days. Mark your score at the next tee box.
- Player Assistants will be seen on the course and are there to help move the flow of traffic. Please cooperate with their requests.
